

Maple Syrup Demonstration Days

March
18-19,
2026

**Touch of Nature invites your classroom to experience our
famous maple syrup-making program!**

Bring your classroom out to learn, explore and taste the magic of maple syrup making!

Main Program - Maple Syrup Demo (\$10 per student)

See the maple syrup process from start to finish!

Includes:

- Learning about syrup history
- Identifying and tapping a maple tree
- Collecting sap and bringing it to the boiler
- Making maple candy with shaved ice

Students will:

- Discover the history and lore of maple syrup
- See a syrup-making demonstration
- Learn about tree identification and physiology
- Taste homemade maple syrup!

3-hour program
8 - 11 am
11:30 am - 2:30 pm

Minimum of 7 students and maximum of 50

Don't let your students miss out on this sweet experience!
