

ACCESSIBILITY

Many of Touch of Nature's Camp 2 facilities are accessible in accordance with the Americans with Disabilities Act (ADA).

ACTIVITIES AND FACILITATION

There are a number of activities that can be arranged during your stay, including canoeing and kayaking, access to our high ropes course, access to two zip lines, a climbing wall, off site rock climbing, rappelling, backpacking, hiking, on- and off-site field trips and expeditions, and team-building exercises just to name a few. For more information, please contact our Facilities and Services staff.

CATERING AND DINING SERVICES

Touch of Nature Environmental Center offers several exciting catering options to make your wedding, reception, conference, retreat, meeting or special event a success. Visit our webpage at <https://ton.siu.edu/facilities-and-services/catering> to see a list of preferred Touch of Nature caterers, approved SIU caterers and catering guidelines.

HEATING AND AIR CONDITIONING

All of our conference and lodging facilities have air conditioning with the exception of Freeberg Hall, Schafermeyer Hall, Morris Lodge, Shawnee Lodge, LB Sharp Lodge and Cabins 1-7. All other facilities have both heating and air conditioning.

INTERNET ACCESS

Little Grassy Lodge, the Friends Room, the River Radio Retreat, Freeberg Hall, and Burke Lounge are all equipped with Free internet access.

LINENS

Rooms in Little Grassy Lodge, Sharp Lodge, Shawnee Lodge, and Morris Lodge are provided with linens. Linens for other lodging are available upon request and for an additional charge.

MEETING AUDIO AND VISUAL NEEDS

All special equipment (i.e., audio visual, screens, flipcharts, etc.) must be ordered prior to the date of the function, and are subject to a rental charge. Last minute requests will be accommodated dependent on item availability.

TAX

All overnight accommodations are subject to a 6% State of Illinois Lodging Tax with no exceptions.

WEDDINGS

Touch of Nature does host weddings and wedding receptions. Most buildings and both amphitheaters are available year-round.
